

Rakhi Das

User Experience Designer | Product Designer

Kolkata, West Bengal | (+91) 9163169254 | dasrakhi.303@gmail.com | [Portfolio](#) | [LinkedIn](#)

Detail-oriented UI/UX Designer with **5+ years** of experience designing user-centered digital products across healthcare, e-commerce, and SaaS platforms. Skilled in wireframing, prototyping, usability testing, and design systems using Figma, Adobe XD, and InVision. Track record of simplifying complex multi-role workflows, improving accessibility of critical data, and reducing friction through research-driven redesigns. Experienced presenting design solutions directly to stakeholders and collaborating closely with developers and product managers in Agile teams.

EXPERIENCE

Sundew Solutions — Associate UI/UX Designer

Dec 2024 – Present

- Simplified **patient, doctor, Foe, and admin** workflows across the Suraksha Healthcare app, website, and dashboard, improving overall task efficiency.
- Improved **medical data accessibility** through clear visual hierarchy, structured information, and high-contrast UI.
- Streamlined the **Home Warranty claims journey** across the website, reducing friction and improving navigation clarity.
- Established consistent design patterns and grid-based layouts across web and mobile products, improving usability and design consistency.

Fortmindz Pvt. Ltd. — Associate UI/UX Designer

Jun 2023 – Dec 2024

- Delivered **20+ client presentations** and **product demos**, accelerating design feedback and stakeholder alignment.
- Created **application style guides** for development teams, improving UI consistency and reducing design-to-development gaps.
- Collaborated with clients and developers to translate requirements into user-focused product experiences

Pixel Consultancy — Junior UI/UX Designer

Nov 2022 – Jun 2023

- Designed user-centered web and mobile interfaces, collaborated with cross-functional teams and clients, and translated business requirements into intuitive, developer-ready UI/UX solutions.

Logic 'n' Color (Granicus) — Jr. Implementation Associate

Oct 2020 – Jul 2022 · 1.9 yrs

- Collaborated with a Senior Web Designer to design and implement website content.
- Partnered with UX/UI designers, developers, and product managers to ensure design solutions met user and business requirements.

Key Projects

Malta Taxi — Ride-Hailing Mobile App —

- Designed a ride-hailing app tailored to Malta's local transportation needs, focused on simplicity and fast task completion.
- Structured clear user flows for booking, driver matching, ride tracking, and payments.
- Improved usability through intuitive pick-up/drop-off selection and real-time ride status visibility.

YogaEase — Yoga & Wellness App Case Study — [View](#)

- Designed a holistic yoga app with session booking, guided videos, nutrition tips, and e-commerce.
- Created user flows, wireframes, and high-fidelity UI in Figma with clean, calming, accessible visuals.

EDUCATION

Sikkim Manipal University Director of Distance Education — BBA

Feb 2017 – Apr 2022

- I conducted extensive research for a dissertation on User-Centred Design, My dissertation focused on the xyz's mobile app, exploring how user-centred design principles could be used to improve the app's overall user experience as well as introducing wearables to enhance the xyz experience.
